NAS LEMOORE INSTRUCTION 5820.2C

From: Commanding Officer, Naval Air Station, Lemoore

Subj: REQUEST FOR ASSISTANCE FROM CIVILIAN LAW ENFORCEMENT AGENCIES

1. Purpose. To outline when the assistance of civilian law enforcement agencies shall be requested and to establish procedures for initiating such requests.
2. Cancellation. NASLEMINST 5820.2B
3. Background. Naval Air Station Lemoore is located on property owned by the Federal Government. The land was acquired through condemnation proceedings by which the Federal Government acquired proprietary jurisdiction. The Federal Government took no action to acquire legislative jurisdiction. Therefore, the State of California and the Counties of Kings and Fresno maintain jurisdiction over the Air Station. Civilian authorities may exercise jurisdiction when it does not interfere with the military mission of the air station.
4. Policy. Relations with civilian law enforcement agencies will be conducted to further existing good rapport. Official requests for assistance from civilian law enforcement agencies will be made by authorized personnel when the situation warrants. Station resources will be fully utilized before requesting assistance from civilian law enforcement agencies. Personnel subject to the UCMJ will be handled by military authorities absent unusual circumstances.
5. Procedure
 - a. The Security Officer will determine when assistance from civilian law enforcement agencies is appropriate. The Security Officer may delegate authorization to the Security watch supervisor to request assistance from civilian law enforcement agencies. When a request is made, the requester shall notify the Station CDO immediately.
 - b. The Security Detachment shall maintain a program to inform civilian law enforcement agencies of the need to notify Security and obtain authorization prior to entry (except in emergencies or hot pursuit).
 - c. Unless the presence of civilian law enforcement agencies would interfere with the military mission of the station, they shall be allowed free access to the station. When access is denied, the Commanding Officer or CDO will immediately be notified.
6. Requests for Assistance by Private Parties. Unofficial requests for assistance initiated by personnel on-station will be honored, and civilian law
